

# 4-H Fair Review 2013

Thank you for making this year's 4-H Youth Fair a success. And thanks for participating in our Fair Review process. Let's make next year's Youth Fair even better!

Instead of a meeting, this year we will be asking folks to fill out the forms and return to CCE via email, mail or drop them off at the CCE Office by Sept 30<sup>th</sup>.

We are trying to give everyone an opportunity to include inputs, as well as focus on positive youth development.

**After we receive the information we will bring attention to concerns and share via email the positives aspects of the fair and what should be worked on.**

## **Purpose of the Forms;**

We would like to identify areas that need improvement concerning our 4-H Youth Fair, and receive suggestions about how to correct any problems. To do this, we will follow this procedure:

- Record your ideas on the forms provided.
- If you were involved with a particular area at the fair- please indicate that and specify as needed about your areas needs for improvement, if any.
- These will then be shared with the Program Committee and Strategy Committee.
- An article will then be generated to inform everyone involved what we found through this process and what will be worked on.

## **Suggested topics for discussion**

What worked at the fair?

What were those things that you particularly enjoyed?

What aspects of the fair need to be improved? Things to consider: still exhibits and evaluations, 4-H youth building issues, barn-related matters, specific animal areas, shows and judging, teen leaders, fairbook, etc.

After identifying issues, please provide suggestions and solutions. Of course, the best solutions are those that you personally can carry out!

If you have questions with this new process please contact Sean Welsh at 292-6180 ext. 127.
