Goals

Identifying goals and how you are going to reach those goals is important to help you become more skilled and knowledgeable about your project and other parts of your life. Goals may be personal or specific to your project. Ask Yourself, what do I want to accomplish this year?

Record one SMART goal (**Specific, Measureable, Attainable, Realistic and Timely**) with two “TO DO’s” that will help you complete your goal. See Record Book guide for help on writing SMART goals

Goal	
To Do Plan	1.) 2.)
If your unsure what to do, who can you go to for help about your projects?
